July 2010

Dear Business Community Member:

The San Juan Hills High School PTSA will be publishing the **Student Directory** available to families and students. We anticipate enrollment of over 2,000 students this year. We are offering sponsorship in a booklet-size (5½" w x 8½" h) directory to help promote the school and the activities scheduled for this school year.

This type of directory helps to keep members of our community connected and provides contact information for parents and students. Contributions made by business neighbors such as you, provide for the printing of this directory and support PTSA sponsored programs.

In the past, local firms have found this to be one of the best ways to spend publicity dollars. They recognize that helping local schools improves the lives of children as well as strengthening the bonds in the community.

In keeping with PTSA guidelines, a disclaimer will be printed in the directory stating: "The mention of any business or service in this publication does not imply an endorsement by the SJHHS PTSA." Information contained in the directory may not be used for the purpose of solicitation or for any purpose not in keeping with the Bylaws of the PTSA.

Due to the numerous indications of interest requests we have received, the directory's exterior and interior cover sponsorship space selection is available on a first come, first served basis ... including payment.

We greatly appreciate your support!

Go Stallions!

Mary St. Onge
